

IC 28-11-3

Chapter 3. Supervision of Financial Institutions

IC 28-11-3-1

Examination of financial institutions

Sec. 1. (a) The department shall examine the affairs of every financial institution as often as the department considers necessary. Examinations may be made without notice to the institution to be examined.

(b) In making an examination, the department may examine any of the officers or agents of the institution under oath.

(c) The department may require an independent audit by a certified public accountant, subject to the standards the department determines.

(d) The department, in the classification of assets, may disregard the amount of an asset in its analysis of capital adequacy of the financial institution until the amount of the asset is recovered.

(e) After the examiners complete the examination of a financial institution, the examiners:

- (1) shall submit their written findings and recommendations to:
 - (A) the board of directors; and
 - (B) other parties authorized by the board of directors and approved by the director; and
- (2) may confer with the parties listed in subdivision (1) on the findings and recommendations.

(f) Upon the conclusion of an examination, a full, true, and detailed report of the condition of the financial institution shall be made to the department by the examiners in the form prescribed by the department.

(g) A financial institution subject to examination by the department may not cause, by contract or otherwise, any data processing or other similar service to be performed, either on or off its premises, until written assurances are furnished to the department by the financial institution and the entity providing the service that the performance of the service will be subject to regulation and examination by the department to the same extent as if the service was being performed by the financial institution on its own premises. Entities that provide data processing or other similar services to more than one (1) financial institution need only file one (1) written assurance to cover all financial institutions to which the entity provides services.

(h) The report of an examination conducted under this section is the exclusive property of the department and shall not be distributed, published, or duplicated without the prior authorization of the director.

(i) A person who knowingly or intentionally possesses, distributes, publishes, or duplicates a report of an examination conducted under this section without the prior authorization of the director commits a Class B misdemeanor.

Schedule of fees

Sec. 5. (a) As used in this section, "assets" means the assets of a financial institution as disclosed by the report made by the financial institution to the department at the end of the year immediately preceding the fiscal year in which a fee is fixed under this section.

(b) The department shall fix and collect, on an annual basis, a schedule of fees for the services rendered and the duties performed by the department in the administration of financial institutions.

(c) The fees may not exceed the comparative cost to the department in the administration of financial institutions. In determining the costs, the department may classify the assets of financial institutions and fix fees at different rates for the examination, supervision, regulation, and liquidation of the classes of assets, based on the proportionate cost and expense incurred by the department in making examinations and in the administration of financial institutions.

(d) The fees shall be charged and collected until changed or modified by the department. A change or modification of fees may not be adopted more often than one (1) time each state fiscal year. A modified schedule of fees is effective on the first day of the state

fiscal year following the fiscal year in which the modification is adopted.

(e) Administrative charges included in the fee are in addition to charges collected under other statutes.

IC 28-11-3-6

Federal preemption; exemption of state chartered entities from provisions of state law

Sec. 6. (a) As used in this section:

(1) "federally chartered" means an entity organized or reorganized under the law of the United States; and

(2) "state chartered" means an entity organized or reorganized under the law of Indiana or another state.

(b) If the department determines that federal law has preempted a provision of IC 24, IC 26, IC 28, IC 29, or IC 30, the provision of IC 24, IC 26, IC 28, IC 29, or IC 30 applies to a state chartered entity only to the same extent that the department determines the provision is applicable to the:

(1) same; or

(2) functionally equivalent;

type of federally chartered entity.

(c) A state chartered entity seeking an exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 based on the preemption of the provision as applied to a federally chartered entity shall submit a letter to the department:

(1) describing in detail; and

(2) documenting the federal preemption of;

the provisions from which it seeks exemption. If available, copies of relevant federal law, regulations, and interpretive letters must be attached to the letter submitted by the requesting entity.

(d) The department shall notify the requesting entity within ten (10) business days after the department's receipt of a letter described in subsection (c). Except as provided in subsection (e), upon receipt of the notification, the requesting entity may operate as if it is exempt from the provision of IC 24, IC 26, IC 28, IC 29, or IC 30 for ninety (90) days after the date on which the department receives the letter, unless otherwise notified by the department. This period may be extended if the department determines that the requesting entity's letter raises issues requiring additional information or additional time for analysis. If the department extends the period, the requesting entity may operate as if the requesting entity is exempt from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 only if the requesting entity receives prior written approval from the department. However:

(1) the department must:

(A) approve or deny the requested exemption; or

(B) convene a hearing;

not later than ninety (90) days after the department receives the requesting entity's letter; and

(2) if a hearing is convened, the department must approve or deny the requested exemption not later than ninety (90) days after the hearing is concluded.

(e) The department may refuse to exempt a requesting entity from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 if the department finds that any of the following conditions apply:

(1) The department determines that a described provision of IC 24, IC 26, IC 28, IC 29, or IC 30 is not preempted for a federally chartered entity of the:

(A) same; or

(B) functionally equivalent;

type.

(2) The extension of the federal preemption in the form of an exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 to the requesting entity would:

(A) adversely affect the safety and soundness of the requesting entity; or

(B) result in an unacceptable curtailment of consumer protection provisions.

(3) The failure of the department to provide for the exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 will not result in a competitive disadvantage to the requesting entity.

(f) The operation of a financial institution in a manner consistent with exemption from a provision of IC 24, IC 26, IC 28, IC 29, or IC 30 under this section is not a violation of any provision of the Indiana Code or rules adopted under IC 4-22-2.

(g) If a financial institution is exempted from the provisions of IC 24, IC 26, IC 28, IC 29, or IC 30 in compliance with this section, the department shall do the following:

(1) Determine whether the exemption shall apply to all financial institutions that, in the opinion of the department, possess a charter that is:

(A) the same as; or

(B) functionally the equivalent of;

the charter of the exempt institution.

(2) For purposes of the determination required under subdivision (1), ensure that applying the exemption to the financial institutions described in subdivision (1) will not:

(A) adversely affect the safety and soundness of the financial institutions; or

(B) unduly constrain Indiana consumer protection provisions.

(3) Issue an order published in the Indiana Register that specifies whether the exemption applies to the financial institutions described in subdivision (1).

(h) If the department denies the request of a financial institution under this section for exemption from Indiana Code provisions that are preempted for federally chartered institutions, the requesting institution may appeal the decision of the department to the circuit court of the county in which the principal office of the requesting

institution is located.
